

Barefoot Organic Carpet Care Earns Esteemed 2013 Angie's List Super Service Award

Award reflects company's consistently high level of customer service

Barefoot Organic Carpet Care has earned the service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of service provided to members of the consumer review service in 2013.

"We strive to be different. We created our business model on our customer's needs," said Barefoot Organic Carpet Care's Owner Shantell Gallegos. "We are not your typical carpet cleaning company. Rather than following the "industry standards" we started from scratch and focus on what is important to our customers."

"Only about 5 percent of the carpet cleaning companies in the Phoenix Valley market are able to earn our Super Service Award," said Angie's List Founder Angie Hicks. "It's a mark of consistently great customer service."

Angie's List Super Service Award 2013 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade; the company must be in good standing with Angie's List, have a fully complete profile, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality. Members can find the 2013 Super Service Award logo next to company names in search results on AngiesList.com.
